# Backwards Speak

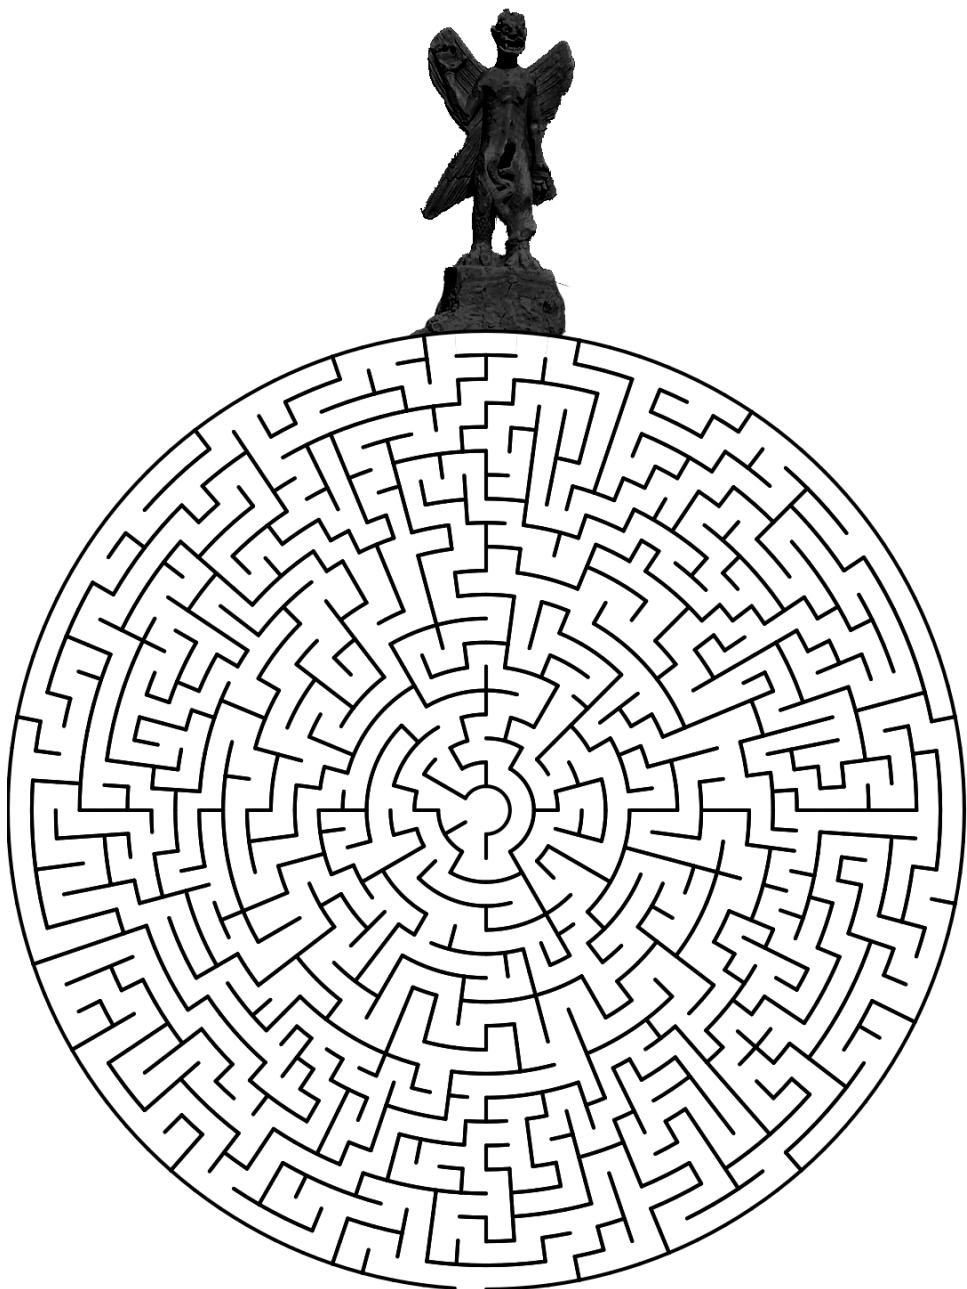

Use the app at [milfordhorror.com/backmask](http://milfordhorror.com/backmask) to play the following games.

- Record yourself saying something. Play it backwards. Make a new recording of you attempting to mimic the sound of your backwards voice. Play that backwards and see how good you are at speaking backwards!
- Record yourself saying something and then play it in reverse to a friend and see if they can figure out what you were saying.

# Pazuzu's Labyrinth

## Mad Libs

Ask someone else to give words for the blanks without knowing where they fit, and then read them the resulting scene.

Sharon closes the door behind them. Karras reacts to the extremely (#1 adjective) \_\_\_\_\_ air.

He is (#2 adjective) \_\_\_\_\_. They both approach Regan's (#3 noun) \_\_\_\_\_. Regan seems to be in a coma, heavily breathing. Sharon bends and gently exposes Regan's (#4 noun) \_\_\_\_\_.

Sharon points the flashlight at Regan. Karras looks in shock when we see on her (#4 again) \_\_\_\_\_, rising up slowly are two words (#5 verb) \_\_\_\_\_ ME.

# Find the Differences

There are 9 differences between these two pictures. How many differences can you find?
